

Happy Holidays!

2007

Holiday Greetings to our dedicated, wonderful, and highly valued customers! It's once again that time of year when *All 'Round Pest Control, LLC* wants to say "Happy Holidays" and "**Thank you**" for your continued business in 2007.

As a result of your ongoing support in our business, we have continued to grow in 2007. Thanks to those of you who "took us to work with you", we now provide services to a few new commercial accounts. We have reached a goal of becoming more involved in community events. We will continue to be even more active in 2008 through various networking groups and local chamber of commerce events. In the spirit of selfless service, we will be volunteering resources, time and efforts towards a few non-profit organizations in 2008 through the "Be An Angel" campaign. We intend to keep busy debugging the local community in many ways!

We have also had success in 2007 with our employees! Some of you have met Bob Jackson who has been employed with us since spring. Bob trained with David for many months and successfully completed his studies, testing with the PA Department of Agriculture to become a licensed and experienced Pest Control Technician. Bob is now very capable of working his own pest control route for us. He fits in well with our company policy to provide you each with excellent customer service and prompt, problem-solving pest control. David, Debbie, Jason and Bob are all "people people" and we hope you enjoy our dedication to treating you all like the family members that you are!

We have fallen short on a few 2007 goals.....we promised an upcoming quarterly newsletter this year but have yet to put these ideas onto actual paper. It's has now become part of the plan for 2008. We will be actively trying to get your email addresses to help economically distribute a newsletter to anyone interested. Our promise is to fill it with seasonal bug facts, bug pictures (or motorcycle pictures with the Bug Muggers!) and fun details which will amuse, rather than burden us all with one more thing to read. Look for this goal to be accomplished via email in the upcoming year! A copy will also be posted onto our website at www.allroundpestcontrol.com for all to see ☺.

Please let this holiday letter be a sincere "**Thank you**" for your support as we all continue on our quest for less bugs and a better quality of life. We wish you all a blessed and fun-filled holiday season and we look forward to servicing your pest control needs throughout the upcoming year.

David & Debbie Molina
+ Jason & Bob & Tasha (our dog) too!
