### **LOCAL PEST CONTROL COMPANY BECOMES A CERTIFIED "WBE"**

Pennsburg, PA - October 10, 2006 – **All 'Round Pest Control, LLC**, a local business specializing in both residential and commercial pest control services throughout the Bucks and Eastern Montgomery county areas, received national certification as a **Women's Business Enterprise** by the Women's Business Development Center of Philadelphia, a regional certifying partner of the Women's Business Enterprise National Council (WBENC).

WBENC's national standard of certification, implemented by the Women's Business Development Center of Philadelphia, is a meticulous process including an in-depth review of the business and a site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women. By including women-owned businesses among their vendors, corporations and government agencies demonstrate their commitment to fostering diversity and to the continued development of their supplier/vendor diversity programs.

#### **About All 'Round Pest Control, LLC:**

**All 'Round Pest Control, LLC**, jointly owned by Deborah & David Molina, is a full service pest control company. Our technicians are licensed and trained by the Pennsylvania Department of Agriculture in the proper use of pesticide products and equipment to provide homeowners and businesses with state-of-the-art solutions to everyday pest control problems. Additionally, technicians are both bonded and insured and the entire company takes pride in providing excellent customer service to residential, commercial and industrial customers. To learn more about **All 'Round Pest Control, LLC**, please visit our website at [allroundpestcontrol.com](http://allroundpestcontrol.com).

#### **About WBENC:**

The Women's Business Enterprise National Council is the nation's largest third party certifier of businesses owned and operated by women in the United States. WBENC is a resource for the more than 700 U.S. companies and government agencies that rely on WBENC's certification as an integral part of their supplier diversity programs.
